Swing

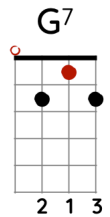

C C F C  
Don't build your house on the sandy land.

C G7  
Don't build it too near the shore.

C  
Well, it might look kind of nice,

F  
But you'll have to build it twice,

C G7 C  
Yes, you'll have to build your house once more!

C C F C  
You'd better build your house upon a rock

C G7  
Make a good foundation on the solid rock,

C F  
And the storms may come and go,

C G7 C  
but the peace of god you will know.
