

I will survive - Hermes House Band

117-130 bpm

Strumming: Island Strum

[VERSE 1]

At first I was afraid, I was petrified
Kept thinking I could never live without you by my side
But then I spent so many nights thinking how you did me wrong
And I grew strong and I learned how to get along
And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock,
I should have made you leave your key
If I'd known for just one second you'd be back to bother me

[CHORUS]

Go on now go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did you think I'd crumble? Did you think I'd lay down and die?
Oh, no, not I, I will survive
Oh, as long as I know how to love I know I'm still alive
I've got all my life to live I've got all my love to give
And I'll survive, I will survive (hey, hey)

I'm not that chained up little person still in love with you

And so you felt like droppin' in and just expect me to be free

But now I'm saving all my loving for someone who's loving me
